

MedicalDirector Blue Chip

Dear MedicalDirector Blue Chip Subscriber,

MedicalDirector is pleased to announce the release of the July 2017 update for MedicalDirector Blue Chip Day Surgery.

MedicalDirector strongly recommends that you apply updates when they become available – this update is valid from July 2017.

Please contact MedicalDirector Customer Care on **1300 300 161** (option 2) to schedule an installation time for this update.

Included in this Update

- Update to the Hospitals table to include new data from New South Wales Health (Hospital Code) and Commonwealth (Provider Number)
- Patient 'Sex' expanded to Male, Female, Other and Unknown

Important Notes on Installing this Update

Installation Procedure:

1. Make backups of everything.
2. Replace DS Data.mde with the new version (8.02)
3. Replace DS.mde with version 16.02 and Relink
4. Open Day Surgery and relink Episodes and Data as needed
