## Day Surgery October 2018 Update for Victoria MedicalDirector Blue Chip

Dear MedicalDirector Blue Chip Subscriber,

MedicalDirector is pleased to announce the release of the October 2018 update for MedicalDirector Blue Chip Day Surgery.

MedicalDirector strongly recommends that you apply updates when they become available – this update is valid from July 2018.

Please contact MedicalDirector Customer Care on **1300 300 161** (option 2) to schedule an installation time for this update.

### Included in this Update

---

- Removes reporting of Procedural list ID for PRS/2 extracts as optional until July 2019
- Update Hospitals to include more Hospital Provider Numbers
- Update to DSV Episodes for AHPRA registration numbers (13 char)
- Change to the definitions of domain Sex values.
- Updates it PRS/2 extracts to report new items; Procedural list's registration number and Unit Code on admission / discharge

## Important Notes on Installing this Update

### Installation Procedure:

1. Make backups of everything.
2. Replace DSV Data.mde with the new version (7.01)
3. Replace DSV.mdb with the new version (14.02)
4. Rename "DSV Episodes.mde" to "Old DSV Episodes.mde"
5. Copy the new version of DSV Episodes into the same folder as "Old DSV Episodes.mde"
6. Copy DSV Updater.mdb into the same folder as DSV Episodes.mde.
7. Run the Updater by double clicking the file.
8. Start Day Surgery and Relink Episodes and Data
